She was a girl from Birmingham

She just had an abortion

She was a case of insanity

Her name was Pauline, she lived in tree

She wasn't out when he killed her baby

She sent the letters from the country

She was an animal

She was a bloody disgrace

Bodies, I'm not an animal

Bodies, I'm not an animal

Dragged on a table in a factory

Illegitimate place to be

In a package in a lavatory

Die little baby

Screaming

Bodies, I'm not an animal

I'm not an animal

It is abortion

Bodies, I'm not an animal

Mommy, I'm not an animal

I'm not an animal

I'm not an animal

I'm not an animal

Fuck this and fuck that

Fuck it all and fuck that fucking brat

She doesn't want a baby that looks like that

I don't want a baby that looks like that

Bodies, I'm not an animal

Bodies, I'm not an animal

Bodies, I'm not an animal

Mommy, I'm not an animal

I'm not an animal (x5)
