Hold me up, I cannot stand
I am nothing, I'm your man
Feel like blur, I know you can
I am nothing, I'm your man
Hold me up, I hold you down
And you'll be thankful you have found a man
Like me
If I'm bad, you'll smack my hand
Little baby, little man
40 pounder in the sand
Cock of nothing, I'm your man
Hold me up, I hold you down
And you'll be thankful you have found a man, like me
Oh no, here I go
See I can't connect if I can't controll
And see I can't release, no I can't let go
And I can't let you go
Hold me up, I hold you down
And you'll be thankful you have found a man
