Sleep little flea

little boy ?me?

a freak

am I clean?

([background whisper] sleep)

I feel like men

(sleep little flea)

I feel like boys

(little boy me)

I think I'm peeling

and the ring in my ears

from playing too loud

I hear the ocean

I hear the crowd

disconnected

I am unattached

unmade bed makes me feel like a failure

bedroom eyes lead to blurry vision

blurry vision

oh...

oh...

and the ring in my ears  
from playing too loud  
I hear the ocean  
I hear the crowd  
too pale, too sick  
too scrawny  
but I'll sleep here anyway  
and the sheets smell like bodies  
not mine  
not yours  
not yours...  
it's 2 am  
and it's quiet again  
where's my lip gloss?  
and the ring in my ears  
from playing too loud  
I hear the ocean  
I hear the crowd  
and the ring in my ears  
from playing too loud  
I hear the ocean  
I hear the crowd  
and the ring in my ears  
from playing too loud  
I hear the ocean

I hear the crowd
