I'm going down and I don't when

I'm coming up again

Oh, I'm going down, I said I don't know when

I'm coming up again

When did I slip?

Where did I miss you?

When did I trip over you?

And when will I fly over you?

Oh, I'm going down and I don't know when

I'm coming up again

Oh, I'm going down, said I don't know when

I'm coming up again

Dark has come

I'm not afraid, though

I can become anyone

And I don't want anyone, no

Oh, I'm going down and I don't know when

I'm coming up again

Oh, I'm going down, said I don't know when

I'm coming up again

There was a love, I shot it down

There was a trust, I shot it down

There was a life, I shot it down
