Ow!

Seether is neither loose nor tight,

Seether is neither black nor white.

I tried to keep her on a short leash,

I tried to calm her down.

I tried to ram her into the ground, yeah.

Can't fight the seether (x3)

I can't see her 'till I'm foaming at the mouth.

Seether is neither big nor small.

Seether is the center of it all.

I tried to rock her in my cradle,

I tried to knock her out,

I tried to cram her back in my mouth, yeah.

Can't fight the seether (x3)

I can't see her 'till I'm foaming at the mouth.

Keep her down, boiling water,

Keep her down, what a lovely daughter.

Oh, she is not born like other girls,

But I know how to conceive her.

Oh, she may not look like other girls,

But she's a snarl-toothed seether,

Seether!

Can't fight the seether (x3) I can't see her 'till I'm
foaming at the mouth. Seether

Can't fight the seether (x3)

I can't see her 'till I'm foaming at the mouth.

Yeah
