It's a shame you have a mind of your own now

Shame on you, completely setting the tone now

I've caught you bleeding under my skin now

I fought you, but you're beginning to win now

Well I don't care, I swear it's my turn now

Shimmer, shimmer like a girl should, yeah

Shimmer, shimmer like a girl should, yeah

Shimmer, shimmer like a girl should,

You gotta get it glimmer, shimmer, sparkle while you
can

She's crashing, falling off of the tracks now

We're cracking at the small of my back now

I failed you and they're beginning to talk now

I nailed you until you're walking the walk now

Well I don't care I swear it's my turn now

Shimmer, shimmer like a girl should, yeah

Shimmer, shimmer like a girl should

You gotta get it, glimmer, shimmer, sparkle while you
can

YAAAAAAAAAAAAAAAAAAAAA!!!!

do-de-do

Shimmer, shimmer like a girl should, yeah (x4)

Shimmer, shimmer like a girl should, yeah

Shimmer, shimmer like a girl should, yeah

Shimmer, shimmer like a girl should, yeah

Shimmer, shimmer like a girl should, yeah
