You're so wonderful, I adore you

I adore you, I adore you, Victrola.

You're so audio, don't remove me

To a movie, I am grooving, Victrola.

Ahhh... Happy New Year

Ahhh... Happy New Year

Ahhh... Happy New Year

Ahhh... Ahhh... Ahhh...

Ahhh... Happy New Year... Ahhh...

You're my winter love, I can lie here

With you so near, we both live here

Happy New Year, you're my sweet dear

Victrola Victrola-ahhh-ahhh
