I hear that lonesome whippoorwill  
She sounds too blue to fly  
The midnight train is whining low  
I'm so lonesome I could cry  
Did you ever see a night so long  
As time goes crawling by  
The moon just went behind the clouds  
To hang his head and cry  
Did you ever see a robin weep  
When leaves begin to die  
It's 'cause he's lost the will to live  
I'm so lonesome I could cry  
The silence of a falling star  
Lights up a purple sky  
And as I wonder where you are  
I'm so lonesome I could cry  
I'm so lonesome I could cry
