Is she conscious
Is she really wide awake?
Is she conscious
Of her beautiful mistake?
Is she conscious
As she moves among the crowd?

She's got the world upon a piece of string
She's got the world upon a piece of string
It's so
He was ugly and she was beautiful
He was ugly and she was so

Is she conscious
Is she asleep or just afloat?
Is she conscious
Of the letter that she wrote?
Is she conscious
Of the music in her ears?

The Queen of Sheba could have shined her shoes
The Queen of Sheba could have shined her shoes
It's so
He was ugly and she was beautiful
He was ugly and she was so

Is she conscious
As she moves across the room?
Is she conscious
Of the weeping of the moon?
Is she conscious
As she leaves the door ajar?
Is she conscious
As she gets into the car?

I don't even wanna say her name
I don't even wanna say her name
That's all
I wanna sing it from the toppest tower
I wanna sing it from the toppest tower
That's all

The Queen of Sheba could have shined her shoes
The Queen of Sheba could have shined her shoes
It's so
He was ugly and she was beautiful
He was ugly and she was so

Is she conscious
Of the chauffeur as he drives?
Is she conscious
As the ambulance arrives?
