How can I, that girl standing there, my attention fix  
On Roman or on Russian or on Spanish politics??  
Yet here's a travelled man who knows what he talks  
about  
And there's a politician that has read and thought.

And maybe what they say is true of war and war's  
alarms  
But oh that I were young again and held her in my  
arms.

How can I, that girl standing there, my attention fix  
On Roman or on Russian or on Spanish politics??  
Yet here's a travelled man who knows what he talks

And there's a politician that has read and thought.

And maybe what they say is true of war and war's

But oh that I were young again and held her in my arms  
But oh that I were young again and held her in my arms  
But oh that I were young again and held her in my  
arms.
