I'm gonna drive myself mad again
My best friend says, "Don't you know you do this all the time"?
I heard about another crush I'm in
I'm going to go hook up with her and help fill my ego in

I'm fully aware that this will go on and on 'till another catches my eye.
I'm fully prepared to sell myself short and go with it.
I'm fully aware that this is for
All the wrong reasons entirely,
But this part's too much fun for me to just sit back and let it go

I've gone and driven myself mad again
Her best friend tells me, "She's been hurt too much"
But I never wanted to commit
Well maybe I said I did, but I don't remember it
It makes me feel good about me
Enjoy it while it lasts, sorry

I'm fully aware that this will go on and on 'till another catches my eye.
I'm fully prepared to sell myself short and go with it.
I'm fully aware that this is for
All the wrong reasons entirely,
But this part's too much fun for me to just sit back and let it go

It's boring to be on your own
Seemed like a good idea at the time
Line by line as i justify whats in my mind
I had no way of knowing that I'd make you cry
Or my interest would decline in such a short time

I'm fully aware that this will go on and on 'till another catches my eye.
I'm fully prepared to sell myself short and go with it.
I'm fully aware that this is for
All the wrong reasons entirely,
But this part's too much fun for me to just sit back and

let it go
