It's Friday night again  
I'll call you in  
My parent's leave  
I'll see you then  
We'll hang in the back room

Invite our friends from school  
The usual  
The eight of us  
Including you  
The last time until June

Watching late night talk shows  
Cracked up stereo's  
The phone blast filling the room  
I wouldn't change a thing,  
I hope things stay the same  
Hit the store  
Ride the snake  
Walking under the moon

We'll just hang out,  
with no plans at all,  
I'm down with that

I'm down with that  
I'm down with that  
Let's go, Let's go, Let's go, Let's go  
Bring it on

I'm down with that  
I'm down with that  
we'll sit and shoot the shade  
or watch our favourite movies all night long

Put on a Movie,  
Something Crazy,  
Like What's More  
or UFC  
The girl's getting into it to  
I wouldn't change a thing,

I hope things stay the same  
Hit the store  
Ride the snake  
Walking under the moon

We'll just hang out,  
with no plans at all,  
I'm down with that

I'm down with that  
I'm down with that  
Let's go, Let's go, Let's go, Let's go  
Bring it on

I'm down with that  
I'm down with that  
we'll sit and shoot the shade  
or watch our favourite movies all night long

I'm down with that  
I'm down with that  
Let's go, Let's go, Let's go, Let's go  
Bring it on

I'm down with that  
I'm down with that  
Friends and Wicked Memories  
we won't appreciate until we're gone

Who need's it all....  
Who need's it all....  
When your blah blah blah blah blah  
With friends you love

Who need's it all....  
Who need's it all....  
When your blah blah blah blah blah  
With friends you love

I'm down with that  
I'm down with that  
Let's go, Let's go, Let's go, Let's go  
Bring it on

I'm down with that  
I'm down with that  
we'll sit and shoot the shade  
or watch our favourite movies all night long

I'm down with that  
I'm down with that

Let's go, Let's go, Let's go, Let's go  
Bring it on

I'm down with that  
I'm down with that  
we'll sit and shoot the shade  
or watch our favourite movies all night long

I'm down with that  
I'm down with that  
Let's go, Let's go, Let's go, Let's go  
Bring it on

I'm down with that  
I'm down with that  
we'll sit and shoot the shade  
or watch our favourite movies all night long

I'm down with that  
I'm down with that  
Let's go, Let's go, Let's go, Let's go  
Bring it on

I'm down with that  
I'm down with that  
Friends and Wicked Memories  
we won't appreciate until we're gone

Who need's it all...
