## Woooooo!

Committed? I admit it. No, it wasn't my style.

If I did it maybe, baby you'd have stayed for a while.

But I didn't. (I know) and I regret it (and so), I should've known.

It was scary but contrary to my stupid beliefs, There was nary jane or mary that could mean what you did to me.

You're amazing. (I know) and I was crazy (and so). Now I'm all alone. And all my friends were saying just jump, just jump.

Jump, baby, jump, baby,
Baby, jump, jump, baby,
Jump, baby, jump, baby,
Baby, jump, jump, baby.
Let yourself go. If you did it maybe,
Baby I'd have stayed for a while.
Jump, baby, jump, baby,
Baby, jump, jump, baby,
Jump, baby, jump, baby,
Baby, jump, jump, baby,
Baby, jump, jump, baby.
Let yourself go. If you did it maybe,
Baby I'd have stayed for a while.

So you left me, it upset me, and it sent me to Hell. Was it your only way to let me know the pain that you felt?

(No, I had to ascertain a way to distance myself). Burned a bridge is all you did, you said, "I'll start a new life".

Built a prison where we're hidden from the whys and a fair goodbye.

```
What? (I can't speak to you) Why? (I can't think of you)
Ten minutes of your time.
And all I ask of you is just jump (whatever), just jump.
Jump, baby, jump, baby,
Baby, jump, jump, baby.
Jump, baby, jump, baby,
Baby, jump, jump, baby.
Let yourself go. If you did it maybe,
Baby I'd have stayed for a while.
Jump, baby, jump, baby,
Baby, jump, jump, baby.
Jump, baby, jump, baby,
Baby, jump, jump, baby.
Let yourself go. If you did it maybe,
Baby i'd have stayed for a while.
Now its time for a break down.
Jump!
In our own way we both messed with fate. Now lets just
make way.
Woooooo!
Jump, baby, jump, baby,
Baby, jump, jump, baby.
Jump, baby, jump, baby,
Baby, jump, jump, baby.
Let yourself go. If you did it maybe,
Baby I'd have stayed for a while.
Jump, baby, jump, baby,
Baby, jump, jump, baby.
```

Jump, baby, jump, baby,

Baby, jump.

## Woooooo!

Let yourself go. If you did it maybe, Baby I'd have stayed for a while. Let yourself go. If you did it maybe, Baby I'd have stayed for a while. Let yourself go. If you did it maybe, Baby I'd have stayed for a while. Let yourself go. If you did it maybe, Baby I'd have stayed for a while. Baby I'd have stayed for a while.

Now then just jump baby.
