how can you say that our love is over  
it seems like yesterday that  
i was spending loads of cash on  
your pretty face  
in attempt to win your interest back  
you saw that it was wayning  
as the months go colder

its a misletoption of funds  
spending money on that special someone who wound  
up breaking your heart  
on at least a million other things i would've rather spent  
my bling  
rather than spending on you

new years day you  
said our love was over  
i wish you hadden't waited  
till i had spended loads of cash  
on your ugly face, bitch  
what happened to you Christmas cheer?  
you came along and drained it  
along with my bank account  
that didn't rhyme

its a misletoption of funds  
spending money on that special someone who wound  
up breaking my heart  
on at least a million other things i would've rather spent  
my bling  
like paying a vagrant to kick me in the testicles  
yeah its better than spending on you.
