scott: hey connor,  
you didn't want her  
so you made up some excuse not to be with her  
so you could leave her,  
and re-instate,  
and start again  
by making your new crush a mix-tape...

connor: hey scotty,  
you got me - i guess i was wrong.  
why don't you write about your ex?  
oh wait, that's every song.  
writing punk rock songs  
won't get her back  
besides i bet your girlfriend  
likes it when you do that.

your carpet's always greyer  
but we're only a room apart.  
if this fight got any gayer  
you'd be hanging out at shell park.  
speculate - condecending like we know each other's  
quirks,  
but all we need to know  
is that we are both dorks.

alison: scott and connor,  
why bother?  
point your fingers at yourselves and not each other.  
lead singers fighting  
for the limelight  
when jeff and butchart get the hook-ups every show  
night

your carpet's always greyer  
but we're only a room apart.  
if this fight got any gayer  
you'd be hanging out at shell park.  
speculate - condecending like we know each other's  
quirks,  
but all we need to know

is that we are both dorks.

your carpet's always greyer  
but we're only a room apart.  
if this fight got any gayer  
you'd be hanging out at shell park.  
speculate - condecending like we know each other's  
quirks,  
but all we need to know  
is that we are both dorks.
