a polished royal blue  
just like my other one  
guitar i should've bought that day  
but i was dumb  
so i called my mom  
hinted pretty strong  
christmas day is coming  
found a present for your son  
sunshine melts fresh snow and dreams

i hinted for two weeks  
every lapse in conversation said "this guitar mom, you  
should see.  
and as a gift a happy christmas this would be"

Feeling pretty good  
with confident desire  
i start to write a song about my new guitar  
so when that morning comes  
and my parents give with love  
they'll hear the perfect song performed by their perfect  
son

opened christmas morning stash  
went through all my gifts  
they had let me down  
but i got a load of cash  
i'll go to the store and buy it myself  
boxing day was closed  
not to worry i'll come back the next day  
the next day it had sold  
left with this song and no new guitar to play it on.

a polished royal blue  
just like my other one  
guitar i should've bought that day  
but i was dumb  
so i called my mom  
hinted pretty strong  
christmas day is coming  
found a present for your son
