Somebody told me: "You'll go out of your mind  
In the heat, in the heat of a disco night  
You will be deaf before your eyes go blind  
In the heat, in the heat of a disco night"

But now I'm dancing whether wrong or right  
In the heat, in the heat of a disco night  
I think I like it baby, hold me tight  
In the heat, in the heat of a disco night  
Of a disco night

Disco fever  
Disco fever  
Disco fever  
Disco fever  
Disco fever  
Disco fever  
And still my temperature will ri-i-i-i-ise

Disco fever  
Disco fever  
Disco fever  
Disco fever  
Disco fever  
Disco fever  
And still my temperature will ri-i-i-i-ise

I like this feeling Mister Fahrenheit  
In the heat, in the heat of a disco night  
I'll hit the ceiling on a beam of light  
In the heat, in the heat of a disco night  
Of a disco night

Disco fever  
Disco fever  
Disco fever  
Disco fever  
Disco fever  
Disco fever  
And still my temperature will ri-i-i-i-ise

Disco fever  
Disco fever  
Disco fever  
Disco fever  
Disco fever  
Disco fever  
And still my temperature will ri-i-i-i-ise
