Shouldn't we be naked  
Especially tonight?  
Instead of bein' fat  
Instead of bein' tight

If you go  
Go for good  
Don't fuckin' joke  
You know I

There's no attempt to make up  
No attempt to sort it  
And we know when we wake up  
We'll forget what it's about

If you go  
(If you go)  
Go for good  
(Go for good)  
No fuckin' joke  
(No fuckin' joke)  
Maybe we should

There's at least a foot between us  
Do you really need pyjamas in this heat?  
And all we can hear  
Is pissed up kids in the street

If you go  
(If you go)  
Go for good  
(Go for good)  
Don't fuckin' joke  
(Don't fuckin' joke)  
You know I

If you go  
(If you go)  
Go for good  
(Go for good)  
Do you really think  
(I really wish you fuckin' would)

I ever could?
