I'm back in Mexico, turn on the radio
I really don't know why I laugh at all the time
I'm here in Mexico, just try to let it flow
Like in the studio don't know what to do
Is everybody here where I've been
Is everybody here who wants to loose control

Here in stereo, stereo wonderful Mexico
Stereo Mexico
Stereo, I'll take a trip to Mexico,
Stereo Mexico
Stereo, you need Tequila and sombrero
Stereo Mexico
Stereo, beautiful songs are on the radio
Stereo Mexico, Mexico
Stereo Mexico, Mexico
Stereo Mexico

I'm back in Mexico, and I just let it go
I'm really feeling fine, fiesta all the time
I'm here in Mexico, we really rock the show
The sound in stereo, we just know what to do
Is everybody here where I've been
Is everybody here who wants to loose control

Here in stereo, stereo wonderful Mexico
Stereo Mexico
Stereo, I'll take a trip to Mexico,
Stereo Mexico
Stereo, you need Tequila and sombrero
Stereo Mexico
Stereo, beautiful songs are on the radio
Stereo Mexico, Mexico
Stereo Mexico, Mexico
Stereo Mexico
I'm back in Mexico, turn on the radio
Stereo Mexico
I'm here in Mexico, turn on the radio
Stereo Mexico, Mexico.
