Child of the wilderness, born into emptiness
Learn to be lonely, learn to find your way in darkness
Who will be there for you, comfort and care for you

Learn to be lonely, learn to be your one companion

Never dreamed out in the world there are arms to hold
you
You've always known your heart was on its own

So laugh in your loneliness, child of the wilderness
Learn to be lonely, learn how to love life that is lived
alone

Learn to be lonely, life can be lived, life can be loved
alone
