Christine:

Raoul, I'm frightened  
Don't make me do this  
Raoul, it scares me  
Don't put me through this ordeal by fire

He'll take me, I know  
We'll be parted forever  
He won't let me go

What I once used to dream, I now dread  
If he finds me, it won't ever end  
And he'll always be there  
Singing songs in my head  
He'll always be there  
Singing songs in my head

Raoul:

You said yourself  
He was nothing but a man  
Yet while he lives  
He will haunt us 'till we're dead

Christine:

Twisted Every Way  
What answer can I give?  
Am I to risk my life  
To win the chance to live?

Can I betray the man  
Who once inspired my voice?  
Do I become his prey?  
Do I have any choice?

He kills without a thought  
He murders all that's good  
I know I can't refuse  
And yet

I wish I could

Oh God, if I agree  
What horrors wait for me?  
In this, The Phantom's opera

Raoul:

Christine, Christine  
Don't think that I don't care  
But every hope  
And every prayer  
Rests on you know

(Instrumental)

The Phantom:

Seal My Fate Tonight  
I hate to have to cut the fun short  
But the joke's wearing thin  
Let the audience In  
Let my opera begin!
