CHRISTINE:

You were once my one companion. You were all that
mattered

You were once a friend and father then my world was
shattered

Wishing you were somehow here again, wishing you
were somehow near
Sometimes it seemed, if I just dreamed, somehow you
would be here

Wishing I could hear your voice again, knowing that I
never would
Dreaming of you won't help me to do all that you
dreamed I could...

Passing bells and sculpted angels, cold and
monumental
Seem, for you, the wrong companions, you were warm
and gentle...
Too many years fighting back tears...
Why can't the past just die?

Wishing you were somehow here again, knowing we
must say goodbye
Try to forgive, teach me to live, give me the strength to
try!
No more memories, no more silent tears
No more gazing across the wasted years
Help me say goodbye. Help me say goodbye!
