RING DANG DOO

Sam the Sham & The Pharaohs

Well - you can have your gold and your diamonds too

All I want is a ring dang doo

Well I've been all over this great big world HEY

Looking for a ring dang doo

I've fallen in love with a thousand girls YEAH

Looking for a ring dang doo

I've got a mojo and some voodoo too

But I ain't never found a ring dang doo

Well I was down in New Orleans

Looking for a ring dang doo

I fell in love with a girl in blue jeans

Looking for a ring dang doo

But I can't stay though my love is true

I gotta keep looking for a ring dang doo

Ring dang doo

Where are you

What are you

From Mexico to the Philippines YEAH

BRLooking for a ring dang doo

BRWell I've drunk with peasants and I've dined with kings

BRLooking for a ring dang doo

BRBut I ain't never found a single clue

BRI've gotta keep a-looking for a ring dang doo

BRWell people call me crazy every single day YEAH

BRLooking for a ring dang doo

BRBut I don't care what people may say NO

BRLooking for a ring dang doo

BRI don't know what it looks like

BROr what it can do

BRI gotta find that ring dang doo

BRRing dang ring dang ring dang doo

BRRing dang ring dang ring dang doo

BRYou can have your gold and your diamonds too

BRAll I want is a ring dang doo

BR

BRNow is an interpolation of "ring dang ring dang ring dang doo" repeating

BRwith comments like "Yeah where are you" and "You  
gotta show yourself" in  
BRthe background as the song fades away.
