oh no, this couldn't be more unexpected
and i can tell ya,
i've been movin so slow
don't let it throw you off too far
'cause i'll be running right behind you

could this be out of line (could this be out of line)
to say youre the only one
breaking me down like this?
you're the only one
i would take a shot on
keep me hanging on so contageously

oh, when i'm around you i'm predictable
'cause i believe in loving you at first sight
i know it's crazy but im hoping to do take a hold of you

could this be out of line (could this be out of line)
to say youre the only one
breaking me down like this?
you're the only one
i would take a shot on
keep me hanging on so contageously

oh youre everything im wanting
come to think of it im aching
oh on account of my transgression
will you welcome this confession?

could this be out of line (could this be out of line)
to say youre the only one
breaking me down like this?
you're the only one
i would take a shot on
keep me hanging on so contageously

could this be out of line (could this be out of line)
to say youre the only one
breaking me down like this?
you're the only one
i would take a shot on

keep me hanging on so contageously
