" ARE YOU CRYING?"

Lyrics and Music by Dennis Cayanan

#### Stanza

Someone told me you are so depressed  
It's all about what happened to us I guess.  
Our relationship didn't work for such a long time  
Is that the thing that keeps bothering your mind?  
Someone told me that you still love me  
The person that you always wanna see  
But you think you can't do anything about it  
What you believe in this matter is what you did.

#### Refrain

I will do anything to make you feel alright?  
Because I don't wanna see your face cry

#### Chorus

Are you crying?  
Do tears in your eyes are falling?  
There will be no reason for to shed tears  
Coz I'll be there to take out your fears.  
Are you crying?  
Still in your mind what happened  
Just forget about what we gone through  
My one and only heart is just for you

#### Interlude

#### Stanza 2

Someone told, if we didn't go separate ways  
You'll always give me happy days  
Lots of promises for love trust and care  
Cheerful moments what we'll always share

#### Refrain

I will do anything to make you feel alright?  
Because I don't wanna see your face cry

#### Chorus

Are you crying?

Do your tears in your eyes are falling?  
There will be no reason for, to shed tears  
Coz I'll be there to take out your fears.  
Are you crying?  
Still in your mind what happened  
Just forget about what we gone through  
My one and only heart is just for you

Adlib

Chorus

Are you crying?  
Do your tears in your eyes are falling?  
There will be no reason for, to shed tears  
Coz I'll be there to take out your fears.  
Are you crying?  
Still in your mind what happened  
Just forget about what we gone through  
My one and only heart is just for you

Repeat Chorus
