Come, come in
Invade all You see of us
Any man, who'd walk Your road is welcomed here
And You're the only one
Chorus:
Jesus, come and walk the halls of this house
Tread this place and turn it inside out
With Your mercy...
Jesus, teach us the prayers that open these doors
Until Your light floods in and illuminates these floors
And let Your truth be on our steps and in these rooms
Jesus invade...
Reach, reach in
With the hand that heals all our suffering
Conquer all that is not of You
Bring Your spirit through
As we fill these walls with Your praise
Chorus
Bridge:
I call for angels
I call for mercy
I call for freedom
In the name of Jesus
In the name of Jesus
Verse One
Chorus
