God, so highly and true
I am captured by you
And all of the things You do
Things too wonderful for me
Things that set this heart free
It's all such a mystery
Oh God, sometimes it's like I see It
For the first time
Oh God, sometimes I realize...
That I really have no idea, no idea
It feels like coming home every time I'm near You
No idea, no idea
Yours is a love so true and amazing
There's so much of You
I really have no idea
And when I think about the day
When all else will fade away
Where are the words to say?
Is there a way to describe looking in Your eyes?
When I see the mystery, oh God, can't imagine seeing
You for the first time
Oh God, I know I'll realize that I really had no idea
No idea, great is the love that's given me forever
No idea, no idea, Your's is a love so true and amazing
There's so much of You
I really had no idea
No idea, no idea
You know I can't comprehend You or fully understand
But I trust Your heart, You're who You say You are
I believe, I believe with all that is in me
No idea, no idea
It feels like coming home every time I'm near You
No idea, no idea
Great is the love that's given me forever
No idea, no idea
Yours is a love so true and amazing
I
