Seek Me

And when you seek Me you will find Me

And when you find Me you will know Me

And I will not hold anything from you

Seek Me

And when you seek Me you will find Me

And when you find Me you will know Me

And I will not hold anything from you

Wake up to My sunrise

And tell Me all your dreams

I will be to listen faithfully

I'm the one that sees in you

The glory of My Son

So for you there is no other now

I'm the only one

Seek Me

And when you seek Me you will find Me

And when you find Me you will know Me

And I will not hold anything from you

Seek Me

And when you seek Me you will find Me

And when you find Me you will know Me

And I will not hold anything from you

Come now to My table

That I've prepared for you

You don't have to be ashamed

To come into my view

And you don't have to be afraid

That I will see those wounds

Cause my table covers everything

It will always cover you

Seek Me

And when you seek Me you will find Me

And when you find Me you will know Me

And I will not hold anything from you

Seek Me

And when you seek Me you will find Me

And when you find Me you will know Me

And I will not hold anything from you

La la la la la la la la la la

You don't have to be afraid

I will take you as you are  
Yu can come into My presence  
And give all you are  
Seek Me  
And when you seek Me you will find Me  
And when you find Me you will know Me  
And I will not hold anything from you  
Seek Me  
And when you seek Me you will find Me  
And when you find Me you will know Me  
And I will not hold anything from you  
(repeat)  
I will not hold anything from you  
I
