I'm a turnstile
Counting up the days
Since I have seen your face
It's been a long while
Though many things have changed
Our love remains the same
Our love remains the same

I want you like the first time I saw you
Want you like a shooting star
Love, you are my home
Oh, I want you for my own
I love you like there is no tomorrow
Love you through the joy or sorrow
Love, you are my home
Oh, I want you for my own
I want you more than you will ever know

Nobody
No not a single soul
Could ever take away
My love for you
Yeah, every single day
I promise to be true
My love I give to you

I want you like the first time I saw you
Want you like a shooting star
Love, you are my home
Oh, I want you for my own
I love you like there is no tomorrow
Love you through the joy or sorrow
Love, you are my home
Oh, I want you for my own
I want you more than you will ever know

I want you like the first time I saw you
Want you like a shooting star
Love, you are my home
Oh, I want you for my own
I love you like there is no tomorrow

Love you through the joy or sorrow
Love, you are my home
Oh, I want you for my own
I want you more than you will ever know
