I don't know how it's gonna be, I think we better talk it
through tonight
It's been awhile since we last spoke,
I think we better talk it through tonight
You said that you would never leave me
And now you've gone and left me on my own

I guess I'm gonna crawl inside with you

I don't know how it's gonna be,
I never know if we're ever gonna get it right
You know I had to go away, I think we better talk it
through tonight.
You said that you would never leave me
And now you've gone and left me on my own
