Those girls in Stillwater they hijacked me off
to a place right after the show
Walked to their house and cracked a bottle of jack
Those college girls were larger than life

I'm gonna be high, and get myself by
I'm gonna be high right to sunrise
I'm not gonna stop not gonna give it up
Cause I know its gonna be alright
Smile cause it's all you've got
Not gonna give it up
Cause I know its gonna be alright

Took a hot shower to wake me up
A salad for lunch, gotta keep myself in shape to
conquer the day
I look forward to romance and a smoke on the pipe
Gotta get my groove on and the limits the sky
Here come all those jaeger shots and here we go again
I think the one in the red tops checking you out

I'm gonna be high, and get myself by
I'm gonna be high right to sunrise
I'm not gonna stop not gonna give it up
Cause I know its gonna be alright
Smile cause it's all you've got
Not gonna give it up
Cause I know its gonna be alright

Live for the moment live for the dream
You could be a waitress or a desert island queen
So don't maybe this and don't maybe that
I've had too much bloody drama to be sitting on the
bench
To do what is right don't give up the fight
Enjoy yourself baby and be a smiling lady
I've always been a sucker for a pretty face
But make no mistake I won't be settling for the next

I said, I'm gonna get myself by
I said, right to sunrise

I'm gonna be high, and get myself by
I'm gonna be high right to sunrise
I'm not gonna stop not gonna give it up
Cause I know its gonna be alright
Smile cause it's all you've got
Not gonna give it up
Cause I know its gonna be alright
Don't let it go to waste
