"How Long?"

How long can I go before I redeem my redeeming
features and
How long can I go before my star comes in?
How long does it take for you to come around and
support my point of view?
How long does it take for you to set the stage?

How long can I go I've always been a sucker for a pretty
girl
How long can I go before you explain what it's all about
in a bit
How long does it take for this roast dinner to be on the
table, and
How long does it take for you to call me back?

How long can I go singing all these tunes without the
song sheets, and
How long can I go before I cash my chips in?
