I wish I could crash like the waves  
Or turn like the autumn leaves  
In effort to praise You  
I wish I could smell like the forest  
The fragrance lifting a mighty chorus  
In effort to praise You  
In effort to praise You

(chorus)  
But I'm such a limited creature  
And my words can only paint so many pictures  
But somewhere I think I read that I am  
Treasured over all creation  
So I know that I must try

I wish I could roll like the thunder  
To leave the earth below in wonder  
In effort to praise You, yeah  
I wish I could fall like the summer rain  
And every drop would sing Your name  
In effort to praise You  
In effort to praise You

(chorus)

Gloria, glory in the highest  
Forever I will hide myself in Thee  
Gloria, glory in excelsis deo  
Gloria, Gloria  
Every breath that I breathe  
Every moment in my history  
Is an effort to praise You  
An effort to praise You

...

Friend for life  
Who took my pain  
The cleansing flood  
You remain  
Wash over me  
Till I can't be seen

Living water swallow me  
Deepest river wash me clean  
Jesus, savior more of Thee  
Jesus, more of Thee  
Come and ruin me with Your love  
So no other is enough  
Come and leave Your mark on me  
Jesus, more of Thee  
Jesus, more of Thee

Deep is the stain  
Inside of me  
But deeper the river  
That washes me clean  
I've been the one  
Who cries in the night  
But you've been  
The friend of my life

Living water swallow me  
Deepest river wash me clean  
Jesus savior more of Thee  
Jesus, more of Thee  
Come and ruin me with Your love  
So no other is enough  
Come and leave Your mark on me  
Jesus, more of Thee  
Jesus, more of Thee
