Holy presence, gentle brush of angel's wings
Creatures strange, breathing heavenly breaths
Encircle the throne still they are saying

Holy, Holy, Holy, Holy is the Lord God Almighty
All of Heaven is singing
Holy, Holy, Holy, Holy is the Lord God Almighty
Who was, and is, and is to come

Mighty God, strong to save, who can compare
The earth is Yours and all that's in it?
Every knee will bow and every tongue will sing

Holy, Holy, Holy, Holy is the Lord God Almighty
All of Heaven is singing
Holy, Holy, Holy, Holy is the Lord God Almighty
Who was, and is, and is to come

May You be worshiped on the earth in this moment
As You are worshiped there in Heaven at Your throne

All this time, even before, You've been worshiped
And all this time, forever unending
You'll be worshiped, all creation singing

Holy, Holy, Holy, Holy is the Lord God Almighty
All of Heaven is singing
Holy, Holy, Holy, Holy is the Lord God Almighty
All of Heaven is singing

Holy, Holy, Holy, Holy is the Lord God Almighty
All creation singing
Holy, Holy, Holy, Holy is the Lord God Almighty
Who was, and is, and is to come
Who was, and is, and is to come
Who was, and is, and is to come

Holy, are You alone out there?
Holy, Holy, Holy
