Giver of creation, bringer of salvation
Word of God, eternal life
Praise the Son of God
Promised One of Heaven
To bring us to your Kingdom
Rescued us from darkness
Praise the Son of God

(chorus)
Jesus, light of the world
Shine on us, shine on us
Word of life, spoken for love
Breathe on us, breathe on us
Light of the world, King Jesus

Darkness will obey your voice
Weakness will in you rejoice
You have bound the broken heart
Praise the Son of God
Jesus
You have shown your father's heart
And to us you will impart
The holiness of all you are
Praise the Son of God

(chorus)

Shine, breathe, live through us (4x)

(chorus 2x)

God's beating heart, live through us (3x)
Light of the world, King Jesus
King Jesus, shine on us, shine on us
