Something brought you to my mind today
I thought about the funny ways you make me laugh
And yet I feel like it's okay to cry with you

Something about just being with you
When I leave I feel like I've been near God
And that's the way it ought to be, yeah

'Cause you've been more than a friend to me
You fight off my enemies
'Cause you've spoken the truth over my life

And you'll never know what it means to me
Just to know you've been on your knees for me
Oh, you have blessed my life

More than you'll ever know, yeah, yeah, yeah
More than you'll ever know, yeah, yeah, yeah

You had faith, when I had none
You prayed God would bring me a brand new song
When I didn't think I could find the strength to sing

And all the while I'm hoping that I'll
Do the kind of praying for you that you've done for me
And that's the way it ought to be

'Cause you've been more than a friend to me
You fight off my enemies
'Cause you've spoken the truth over my life

And you'll never know what it means to me
Just to know you've been on your knees for me
Oh, you have blessed my life

More than you'll ever know, yeah, yeah, yeah
More than you'll ever know, yeah, yeah, yeah

You have carried me
You have taken upon a burden that wasn't your own
And may the blessing return to you
A hundredfold, oh yeah, a hundredfold, oh yeah

'Cause you've been more than a friend to me
You fight off my enemies
'Cause you've spoken the truth over my life

And you'll never know what it means to me
Just to know you've been on your knees for me
Oh, you have blessed my life

More than you'll ever know, yeah, yeah, yeah
More than you'll ever know, yeah, yeah, yeah

More than you'll ever know, yeah, yeah, yeah
More than you'll ever know

More than you'll ever know
