Come and make my heart Your home
And come and be everything I am and all I know
And search me through and through
Till my heart becomes a home for You

Come and make my heart Your home
And come and be everything I am and all I know
And search me through and through
Till my heart becomes a home for You

A home for You Lord, a home for You, Lord
Let everything I do open up a door for You to come
through
And that my heart would be a place where You want to
be

Come and make my heart Your home
And come and be everything I am and all I know
And search me through and through
Till my heart becomes a home for You

A home for You Lord, a home for You, oh Lord
Let everything I do open up a door for You to come
through
And that my heart would be a place where You want to
be

'Cause you are my portion, filling up everything
You are the fortune that's causing my heart to sing
That it's amazing, that You could make Yourself at
home with me

With me Lord come and make my heart
Come and make it Your home
And come and be everything I am and all I know
And search me through and through
Till my heart becomes a home for You

Till my heart becomes a home for You
Till my heart becomes a home for You Lord
For You, You You oh Lord
