God so holy and true, I am captured by You
And all of the things You do
Things too wonderful for me
Things that set this heart free

It's all such a mystery
Oh God, sometimes it's like
I see it for the first time

Oh God, sometimes I realize
That I really have no idea, no idea
It feels like coming home every time I'm near You

Yeah, hey, yeah, no idea, no idea
Yours is a love so true and amazing
There's so much of You, I really have no idea

And when I think about the day
When all else will fade away
Where are the words that You say?

Is there a way to describe, looking in Your eyes
When I see the mystery
Oh God, can't imagine seeing
You for the first time, hey, yeah, hey, yeah

Oh God, I know I'll realize that
I really had no idea, no idea
Great is the love that's given me forever

Yeah, hey, yeah, no idea, no idea
Yours is a love so true and amazing
There's so much of You, I really had no idea

No idea, no idea
You know I can't comprehend You, fully understand
But I trust Your heart, You're who You say You are
I believe, I believe with all that is in me

No idea, no idea, it feels like coming home
Every time I'm near You, ooh, yeah
No idea, no idea

Great is the love that's given me forever

Oh, I really have no idea, no idea, oh yeah, no idea
[Incomprehensible] no, no

Yours is a love so true and amazing
Oh yeah, Your's is a love so true and amazing
Your's is a love so true and amazing
