Paint me with Your purity  
That I'd attract Your majesty  
When others boast in fame and gold  
The purest place is where I'll go

The purest place I will draw near  
Do what it takes to keep me here  
In the center of Your heart  
The purest place is where You are

It's not with masses, not with kings  
Not in these songs or offerings  
Not in this life or what it brings  
The purest place is You my King

The purest place I will draw near  
Do what it takes to keep me here  
In the center of Your heart  
The purest place is where You are, is where You are

If there's such thing as too beautiful  
If there's such thing as too wonderful  
If there's such thing as too marvelous  
Jesus it's You, Jesus it's You

If there's such thing as too beautiful  
If there's such thing as too wonderful  
If there's such thing as too marvelous  
Jesus it's You, Jesus it's You

The purest place I will draw near  
Do what it takes to keep me here  
In the center of Your heart  
The purest place is where You are

The purest place I will draw near  
Do what it takes to keep me here  
In the center of Your heart  
The purest place is where You are, is where You are

It's You my King  
It's You my King

The purest place is You my King
