Paint me with Your purity
That I'd attract Your majesty
When others boast in fame and gold
The purest place is where I'll go

Chorus:

The purest place I will draw near
Do what it takes to keep me here
In the center of Your heart
The purest place is where You are
It's not with masses, not with kings
Not in these songs, or offerings
Not in this life, or what it brings
The purest place is You my King

Chorus

Bridge:

If there's such thing as too beautiful
If there's such things as too wonderful
If there's such thing as too marvelous
Jesus it's You, Jesus it's You

Chorus

It's You my King,
It's You my King
The purest place, is You my King
