Over time you've healed so much in me  
And I am living proof  
That although my darkest hour had come  
Your light could still shine through  
And though at times it's just enough to cast  
A shadow on the wall  
Well, I am grateful that you shine your light on me at all

Who am I that you would love me so gently?  
Who am I that you would recognize my name?  
Lord, who am I that you would speak to me so softly  
Conversation with the love most high  
Who am I?

Well, amazing grace how sweet the sound  
That saved a wretch like me  
I once was lost but now am found  
Was blind, but now I see  
And the more I sing that sweet old song the more I  
understand  
That I do not comprehend this love that's coming  
from your hand

Who am I that you would love me so gently?  
Who am I that you would recognize my name?  
Lord, who am I that you would speak to me so softly  
Conversation with the love most high  
Who am I?

Grace, grace, God's grace  
Grace that will pardon and cleanse within  
Grace, grace, God's grace  
Grace that is greater than all our sin

Who am I that you would love me so gently?  
Who am I that you would recognize my name?  
Lord, who am I that you would speak to me so softly  
Conversation with the love most high  
Who am I?

Amazing grace, how sweet the sound  
Amazing love, now flowing down

From hands and feet that were nailed to the tree  
His grace flows down and covers me.  
(Repeat)

And covers me, and covers me, and covers me, and  
covers me  
And covers me, and covers me, and covers me, and  
covers me  
(with descant- Grace, grace, God's grace)

Who am I that you would love me so gently?  
Who am I that you would recognize my name?  
Lord, who am I that you would speak to me so softly  
Conversation with the love most high  
Who am I?  
Lord, who am I, yeah?
