I lay me down at Your feet my Jesus  
Find me here with a heart that's pure  
I am raised up in the love You pour on me  
The moment I believe...  
I lay me down at Your feet my Jesus  
Find me here with a life like Yours  
I am raised up in pow'r that sets me free  
The moment I believe  
The moment I believe  
Chorus:  
You come as You are  
And I come as I am  
And grace covers shame  
You come in Your pow'r  
And I bow down  
And grace covers shame  
You come like a flood and I'm lost in this "Hallelujah!"  
You come as You are and I come as I am  
And grace covers all of me... All of me...  
I lay me down at Your feet my Master  
Find me here with the grace to know  
That I am raised up in the perfect love of God  
The moment I believe  
The moment I believe  
Chorus  
Bridge:  
I am laid broken  
Lord I am open  
Breathe in me  
And this by design  
Is Your life divine  
Living in me...  
You come as You are...  
I come as I am  
You come in Your power  
And I bow down  
Chorus
