(Verse 1: Brooks)

Bar tender I really did it this time  
Broke my parole to have a good time  
When I got home it was 6 a.m.  
The door was locked so I kicked it in  
She was trippin' on the bills  
I think she was high on some pills  
She through my shit out into the yard  
Called me a bum and smacked me real hard  
And in my drunkin' stooper  
I did what I should of never done  
Now I'm sittin' here talking to you  
Drunk and on the run

(Chorus)

I'm sittin' at a bar on the inside  
Waitin' for my ride on the outside  
She broke my heart in the trailer park  
So I jacked the keys to her fuckin' car  
Crashed that piece of shit and then stepped away

(Verse 2: Brooks)

You know mo I'll probably get ten years  
So just give me beers til they get here  
Yeah I know the sun is comin' up  
And ya'll are probably gettin' ready for closin' up  
But I'm trying to drown my soul  
I'm tired of this life on a dirt road  
And everythang that I love is gone  
And I'm tired of hangin' on

(Chorus)

She got me sittin' at a bar on the inside  
Waitin' for my ride on the outside  
She broke my heart in the trailer park  
So I jacked the keys to her fuckin' car  
Crashed that piece of shit and then stepped away

(Verse 3: Danny)

Guess it was meant to be  
Romance is misery

So much for memories  
And now I'm headed to the Penitentiary  
See me on T.V.  
The next cop series  
I am a danger  
I guess I should've done something about my anger  
But I'll never learn  
Real things I don't concern  
I pour kerosene on everything I love and watch it burn  
I know it's my fault  
But I wasn't happy it was over  
She through a fit so I crashed that piece a shit nova

(Brooks)

And now I'm goin' back again  
Back to the pen to see my friends  
And when we all pile out that county van  
They'll ask me where I've been

(Chorus)

I've been at a bar on the inside  
Waitin' for my ride on the outside  
She broke my heart in the trailer park  
So I jacked the keys to her fuckin' car  
Crashed that piece of shit and then stepped away
