It was a day for resting  
It was a day for listening  
It was a day for dreaming  
It was a day for sleeping...  
Then one day, she came to me, we sat alone,  
Just her and me.  
She looked around, she looked for comfort,  
And all I could offer was me...

But I'll find my way on my terms,  
If you show me that you need me, it'll be on my  
terms...

It was a time for thinking  
It was a time for wondering  
It was a time for hoping  
I guess it was a time for talking.  
We spoke awhile, about her and me,  
We mentioned things, that we want to be.  
I think we found it, our lives touched it,  
I carried her away with me...

But I'll find my way on my terms,  
If you show me that you need me, it'll be on my terms,  
If you decide to leave it'll be on my terms, my terms,  
My terms, my terms,  
it'll be on my terms...
