my souls got serious traction  
I bet its still to get some action  
your mother calls us misfits  
it doesn't bother you one bit

you shouldn't care about her anyway  
shes got to let go one day

we wear all the latest clothes  
we see all the coolest shows  
bouncers at the night clubs let us in  
wouldn't take one day back to live it again

my steel toes start kickin'  
my new tatoo just aint stickin'  
you gotta break the skin  
take a nedle just stick it in

you shouldn't care about it anyway  
you got to let go one day

we wear all the latest clothes  
we see all the coolest shows  
bouncers at the night clubs let us in  
wouldn't take one day back to live it again

your daddy makes life look oh so hard  
gives us grief about get in his car  
another dead, but lets not sweat it  
you know by next week he'll forget it

you shouldn't care about him anyway  
hes got to let go one day

we wear all the latest clothes  
we see all the coolest shows  
bouncers at the night clubs let us in  
wouldn't take one day back to live it again

my babys just got to get home  
black bootleg concert t-shirt x3

concert t-shirt x2

yeah, we wear all the latest clothes  
we see all the coolest shows  
bouncers at the night clubs let us in  
wouldn't take one day back to live it again  
live it again x2
