Why do birds suddenly appear
Every time you are near?
Just like me, they long to be
Close to you

Why do stars fall down from the sky
Every time you walk by?
Just like me, they long to be
Close to you

On the day that you were born
The angels got together
And decided to create a dream come true
So they sprinkled moon dust in your hair
And gold and starlight in your eyes so blue
Thank you!

That is why all the boys in town
Follow you all around.
Just like me, they long to be
Close to you

On the day that you were born
The angels got together
And decided to create a dream come true
So they sprinkled moon dust in your hair
And gold and starlight in your eyes of blue
Thank you!

That is why all the boys in town
Follow you all around.
Just like me, they long to be
Close to you
Just like me they long to be
Just like me they long to be
Just like me they long to be
Close to you
