Come home with me,
Â'cos I need you now,
Like I needed you then
When we were friends,
Oh girl, come dance with me, and be my lady

Come drive with me, down the empty streets,
WeÂ'll joke and talk, IÂ'll find a place,
IÂ'll lay you down, amongst the heather,
IÂ'll kiss your mouthÂ...

When weÂ're alone, romance, it tastes so sweet,
You look so good, come hold me now,
From the inside out, IÂ'll hold your heartÂ...

(Chorus)

All I can say is come home with me, come home with
me,
Come home with me, home with me,
Come home with meÂ...

If you leave me now, IÂ'm going to go home again
All alone, IÂ'll light a fire, IÂ'll watch you in the glow,
The fireÂ's for you, itÂ's for youÂ...

(Chorus)

I once knew, you would always be there,
But now that know whatÂ's on the way , and
I do, believe itÂ's true and so tell me now
To stayÂ...

IÂ'll lay you down, amongst the heather,
IÂ'll kiss your mouthÂ...

(Chorus)
