Out in the fields
There's workers everyday
Farming the land
'Cause that was the only way
But now it's a joke
The thunder's a foreign sound

We're all gonna dance
As soon as the rain comes down
As soon as the rain comes down
As soon as the rain comes down

They worked so hard
To make their ends meet
They dream of storms
But wake to the sweat on their feet
This summer's been hot
The land was a desert to us

We're all gonna dance
As soon as the rain comes down
As soon as the rain comes down
As soon as the rain comes down

As soon as the rain comes down
As soon as the rain comes down
As soon as the rain comes down
As soon as the rain comes down
