You had a job as a dancing waitress  
That's what you said to me  
Town to town like a falling angel  
For every lock you have a key

Fall in love like a foreign movie  
Even come with your own lines  
You're better off without directors  
'Cause you're doing just fine

You could be a movie actor  
You act like nothing's wrong  
I wish this time would just go faster  
I've been here too long

Have you been lost? Have you been found  
By something in the soul?  
You're better off that no one knows  
That this is your finest role

Now it's dark and just too late  
To say you're by my side  
No more chances left to take  
You can fake another cry

You could be a movie actor  
You act like nothing's wrong  
I wish this script would just go faster  
I've been here too long

Have you been lost? Have you been found  
By something in the soul?  
You're better off that no one knows  
That this is your finest role

You could be a movie actor  
You act like nothing's wrong  
I wish this time would just go faster  
'Cause I've been here

You could be a movie actor

You act like nothing's wrong  
You could be a movie actor
