When the water flows down
From her ocean of sadness
Look for me as I drown
In the sea of broken hearts

Throw me nets, throw me hope
Throw me anything to hold
I'm sinking fast like a stone

Let the tears wash away
All the sad winds of sorrow
I was there for a while
Splashing through the sky

Another storm, another crash
As the currents pull me under
Look for me as I drown
In the sea of broken hearts

Throw me nets, throw me hope
Throw me anything to hold
I'm sinking fast like a stone
Like a stone

Throw me nets, throw me hope
Throw me anything to hold
I'm sinking fast like a stone

How I wish our tiny boat
Cared enough to stop sinking
Look at me as I drown
In the sea of broken hearts

Let me know if she comes
If she comes to say goodbye
I waited there for a while
Splashing through the sky

On a ship far away
Sailing straight into the wind
In the waves on the sea

The sea of broken hearts

The sea of broken hearts

The sea of broken hearts

The sea of broken hearts

Sea of broken hearts

The sea of broken hearts
